Hi Erin-

I'm forwarding this because I misspelled your email address the first time around...

Thanks, Jean

Subject: BDCP draft methods for preliminary jd and functional assessment

Hello everyone-

Please find the attached documents discussing DWR's proposed methods for the Preliminary Jurisdictional Determination of Waters and Wetlands and the Wetland Functional Assessment, components of the 404 (b)(1) Alternatives Analysis for the Bay Delta Conservation Plan. Please send us your comments and edits to these plans as we discussed at our July 7, 2011 meeting. We will incorporate changes for a final review.

Thank you,

Jean
